

RESOLUTION NO. 150
OF
INDIANOLA MUNICIPAL UTILITIES
BOARD OF TRUSTEES

BE IT RESOLVED by the Indianola Municipal Utilities Board of Trustees that Resolution No. 141 be repealed and that this resolution be substituted in lieu of it as follows:

1. Section 2.4 Rates for Water Service

Rate classes and availability are as follows:

2.4(1) City Residential Service

Monthly customer charge (includes first 1,000 gallons used)	\$8.75
All consumption over 1,000 gallons per month (per 1,000 gallons)	\$5.75

2.4(2) Fire Protection Service Inside City Limits

<u>Connection Size</u>	<u>Annual Charge</u>
2"	\$ 13.75
4"	\$ 55.00
6"	\$125.00
8"	\$222.50

2.4(3) Fire Protection Service Outside City Limits

<u>Connection Size</u>	<u>Annual Charge</u>
2"	\$20.65
4"	\$82.50
6"	\$187.50
8"	\$333.75

2.4(4) Commercial Water Service

Monthly customer charge (includes first 1,000 gallons used)	\$8.75
All consumption over 1,000 gallons per month (per 1,000 gallons)	\$6.00

2.4(5) Irrigation Water Service

All consumption (per 1,000 gallons)	\$6.00
-------------------------------------	--------

RESOLUTION NO. 150
OF
INDIANOLA MUNICIPAL UTILITIES
BOARD OF TRUSTEES

2.4 (6) Reserved

2.4(7) Government Service

Monthly customer charge (includes first 1,000 gallons used)	\$8.75
All consumption over 1,000 gallons per month (per 1,000 gallons)	\$6.00

2.4(8) Large Water Contracts

Rates for water service for large water contracts shall be pursuant to the provisions of written contract entered into by the customer and the Indianola Municipal Utilities.

2.4(9) Reserved

2.4(10) Maintenance/Capital Adjustment

The Board of Trustees shall periodically make a determination of whether the water utility has experienced an unusual maintenance or capital expenditure. The expenditure of a sum in excess of \$150,000 for maintenance or \$500,000 for capital improvement in any one calendar year shall be considered an unusual maintenance or capital expenditure. A maintenance surcharge or credit may be administratively imposed at the same rate per 1,000 gallons for all services to recoup these unusual maintenance or capital expenditures.

2.4(11) Temporary Service

Metered:

Monthly customer charge (includes first 1,000 gallons used)	\$8.75
All consumption over 1,000 gallons per month (per 1,000 gallons)	\$6.00

Unmetered:

Residential Construction	\$ 25.00
Commercial/Other Construction	\$ 50.00

RESOLUTION NO. 150
OF
INDIANOLA MUNICIPAL UTILITIES
BOARD OF TRUSTEES

2.4(12) Reserved

2.4(13) Delinquent Bills

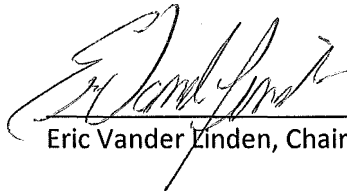

Net monthly bills as computed under the provisions of this resolution are payable within 20 days from the date of bills. When not so paid, penalty at the rate of 18% per annum from due date until paid, shall be charged. One month's penalty shall be forgiven each year.

2.4(14) Reserved

2. EFFECTIVE DATE

These rates shall become effective as to all bills due July 1, 2011 and thereafter.

Introduced and adopted this 23rd day of May, 2011.

Eric Vander Linden, Chair

ATTEST:

City Clerk
