Installing a New Central Air Conditioner? Meet IMU's Efficiency Standards and Receive a Rebate!

Indianola Municipal Utilities Central Air Conditioner Rebate Program

Install a qualifying energy efficient central air conditioner in your home or business and Indianola Municipal Utilities will apply a credit to your city utility account! The unit must have a 14 SEER (Seasonal Energy Efficiency Ratio) or higher.

In addition to the minimum 14 SEER rating, the size of the unit installed must be the most efficient that will meet your cooling needs. *IMU reserves the right to question the size of the unit purchased if it should seem to be larger than adequate for the home.*

Rebate Amount for Qualifying Units:

\$100 Utility Account Credit per 14 SEER unit; \$50 for each additional SEER up to a \$250 maximum; 10 unit maximum per customer per *program year.

Qualifications:

- Central air unit must be installed in a residence/business served by IMU electricity.
- Central air unit must have a 14 SEER or higher.
- Central air unit must be properly sized for the home.
- *The IMU program year begins July 1 and ends on June 30.

Application Requirements:

- Completed and signed rebate form.
- Itemized invoice providing the purchase date, make, model and SEER of the unit.
- Application and invoice *must be* received within six months of purchase date.
