

RESOLUTION NO. 2022—017
OF
INDIANOLA MUNICIPAL UTILITIES
BOARD OF TRUSTEES

BE IT RESOLVED by the Indianola Municipal Utilities Board of Trustees that Resolution No. 321 be repealed and that this Resolution be substituted in lieu of it as follows:

1. **ELECTRIC RATES.** The rates for customer classes of service described in electric service plan Section 2.4 are:

Section 2.4 **Rates for Electric Service**

Rates for electric current shall apply to all customers according to their proper classifications as follows and where summer months are defined as all bills rendered in July, August, September and October. Winter months are defined as all bills rendered in November, December, January, February, March, April, May and June.

2.4(7) Large Power Contracts

Rates for electric current for Large Power Contracts shall be pursuant to the provisions of written contract entered into by the customer and Indianola Municipal Utilities.

2.4(8) Cost of Energy Adjustment

The Board of Trustees shall periodically establish a base energy allowance per kWh for all services. Any energy surcharge or credit may be administratively imposed and adjusted at the same rate per kWh for all services to recoup energy-related costs incurred that are in excess of the base energy allowance. Energy-related costs include production and transmission costs charged by the Utility's supplier(s), system losses, and costs for generating electricity not otherwise reimbursed.

2.4(9) Maintenance/Capital Adjustment

The Board of Trustees shall periodically make a determination of whether the electric utility has experienced an unusual maintenance or capital expenditure. The expenditure of the sum in excess of \$150,000 for maintenance or \$500,000 for capital improvement in any one calendar year shall be considered an unusual maintenance or capital expenditure. A maintenance surcharge or credit may be administratively imposed at the same rate per kWh for all services to recoup these unusual maintenance or capital expenditures.

2.4(10) Temporary Service

In addition to the use rates, as provided above, there shall be an additional charge for Temporary Service as follows:

Single-Phase	\$37.00 plus cost of installation
Three-Phase	\$69.00 plus cost of installation

2.4(11) Residential Time-of-Use Meter Service

Qualification: For single-family residential customers where primary energy consumption is for domestic purposes, and where customer has agreed to install a time-of-use meter. Not available for commercial purposes, including agriculture, manufacturing or other uses of a commercial nature.

Rates effective for all billings after May 1, 2022

kWh/mo. 8 p.m. Friday to 8 a.m. Monday	8.72¢	6.87¢

2.4(12) Delinquent Bills

Net monthly bills, as computed under the provisions of this Resolution, are payable within 20 days from the date of bills. When not so paid, penalty at the rate of 18% per annum from due date until paid shall be charged. One month's penalty shall be forgiven each year.

2.4(13) Short-Term Demand Curtailment Option

- a. To qualify for this rate, a customer must be billed under the Large Power Service (formerly Small Industrial Power Service) or Large Industrial Power Service rate schedules. This curtailment option is available to all applicable customers who demonstrate a continuing capability and willingness to curtail at least 300 kW of load during Utility-specific curtailment periods.
- b. Customers desiring service under this option must make application before November 1 for the following calendar year. The application must state the amount of load reduction being requested, the proposed curtailment demand level, and the method to be used to effect such a reduction. All requests are subject to review and acceptance by the Utility, with the review based on the customer's expected load at the time of system peak and the likelihood that the proposed reduction will be consistently achievable.
- c. The load reduction will be calculated based on the customer's historical summer peak at the time of the Utility's peak and the proposed level of curtailment demand. If sufficient billing data is not available to allow an accurate determination of the historical peak data, the curtailment demand level will be set at an estimated value arrived by joint negotiation but subject to the approval of the Utility.
- d. During a customer's first summer period under this option, the curtailment demand level and the amount of load reduction can be adjusted at the end of each billing period by mutual agreement of the Utility and the

customer.

- e. Customers who successfully comply with all curtailment requests during a summer period will be issued a credit as follows:

Short Term Demand Curtailment Credit: \$31.00 per kW.
Credits will be applied to the customer's November bill. No credit will be issued unless the customer successfully complies with all curtailment requests.

- f. This rate is available only on a year-by-year basis and is subject to modification or withdrawal at any time.
- g. The Utility may establish a curtailment period at any time. Notice will be given to customers at least 2 hours in advance, except the advance notice may be reduced to 30 minutes if the customer has been advised of the possibility of curtailment during the prior day. Each curtailment period will continue until the Utility gives specific notice of its termination, up to a maximum of 6 hours. The number of curtailment periods during any one calendar year will not exceed 16.

Section 4.9(5) **Rates for Purchase from Small Power Production and Cogeneration Facilities**

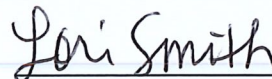

Rates effective for all billings after May 1, 2022

Monthly Avoided Cost Rate as provided annually by
MEAN to be effective January 1st of each year.

Amount of Monthly Verizon Charge for Interrogating
Electric Meter(s) of Customer-Owned Renewable
Generating Facilities will be effective upon notification
from MEAN.

- 2. **EFFECTIVE DATE.** This Resolution shall be in effect from and after its final passage and approval and publication as provided by law.

INTRODUCED AND ADOPTED this 28th day of March 2022.

Lori Smith, Chair, Board of Trustees
